The Texadelphia Story

When our Founder moved to Austin from Pennsylvania in 1980, he brought with him a desire to serve great food in a place where everyone was treated like family. When he started serving Philly's favorite sandwich with a Texas twist – he realized he had captured the perfect blend of Texas and Philadelphia – and by combining the two, a Legend was born. We've opened a few more restaurants and added some great new items to the menu since then, but we've never wavered from the passion, quality and commitment to a truly unique experience that has been a part of Texadelphia from day one. We hope you enjoy!
